- ✓ Our creativity arises from Multiple Forms of Intelligences
- ✓ We nurture and strengthen the talents that reflect these intelligence
- ✓ Process learning, not only content learning
- ✓ Learning with fun
- ✓ Creating a stimulating and challenging learning environment
- ✓ Unique model ensuring ample time for children to study, play, rest, do homework and revise lessons.
- ✓ Give opportunity to spend quality time with their parents back home

- ✓ Reduces burden of the back-breaking school bag, which hinders the mental as well as physical growth of the child.
- ✓ Well qualified and experienced teachers
- ✓ Value based education
- ✓ Skill based learning and understanding of concepts by arranging field trips.
- ✓ World class education with firm grounding in traditional values.
